Kristen and Paul Ledenko are our neighbors on Snowflake Lane. They are hard-working, thoughtful, and compassionate in everything they undertake. In the 9+ years that we have lived at 2 Snowflake Lane, we have witnessed firsthand how they transformed their property to its incredible condition today. It is a labor of love for them to enhance and improve all our living environment, we refer to jokingly as the "Snowflake Beautification". It is thus with great pleasure that we support their application for a variance to enhance the building of a pool in their backyard. Kristen and Paul do everything at the highest level! We collectively as neighbors are the beneficiaries of that hard work. We look forward to seeing this great project completed.
